Sub: ICFRE Pension Portal

It gives me immense pleasure to announce that ICFRE Pension Portal and mobile application developed by ICFRE has been dedicated to pensioners by the Director General, ICFRE on 7th August 2023. The portal is hosted at the ICFRE Data Centre and the URL of the portal for the pensioners of ICFRE is <https://pensionportal.icfre.org>. The link of the portal is also available on the ICFRE website in the Portal section. The mobile application can be downloaded on the mobile from the link given on the top of ICFRE Pension Portal.

The pensioners who have submitted their application through portal can login through email Id and Password or PPO No. and Date of Birth. Other pensioners (whose PPO No. is less than 1323) can login through their PPO No. and Date of Birth. **Existing pensioners need not register on the portal.**

All pensioners can view their pension slips from May 2023 onwards. At present limited data necessary to generate the pension slips is available under profile, pension application and PPO etc. for the old pensioners whose PPO No. is less than 1323 but complete data of the pensioners are available for pensioners with PPO number 1323 onwards.

The launch of ICFRE Pension Portal and mobile application is yet another step by ICFRE administration towards pensioners' welfare and a mechanism for grievance redressal which I am sure will go a long way to provide seamless services to all our esteemed pensioners.
